Subject: Comments regarding Airline Representative Period
Date: Monday, February 11, 2013 3:37:09 PM

Hello;

This message is in response to the BOE letter No. 2013/19 to county assessors and interested parties, which is asking for comments regarding the Airline Representative Period.

I suggest that the BOE retain the current methodology, which is the 2nd full week in January.

Thank you,
